Republic of Cameroon

Dear Mr. Ndando-Ngoo,

The Torimiro Group (TTG) is pleased to donate the following items needed to embark on the comprehensive feasibility study on mental health in Cameroon:

1. A Mini Video Camera (1)
2. Digital Tape Recorders (3)
3. Protective Carrying Case (2)

TTG hopes that the equipment listed above will enable African Empowerment and Development Association (AEDA) to gather the necessary data that will be used to increase public awareness and establish a course of action on mental health care in Cameroon.

Sincerely,

A handwritten signature in black ink, appearing to read 'Frédéric Belle Torimiro', is written over a horizontal line.
